FIRE/THEFT DAMAGE	€ 2000	€ 2600	€ 3000	€ 6000

In case of damage, fire or theft an administrative fee of € 50,00 + VAT will always be applied. Only exceptions are the following:

- The customer has signed an optional cover and the damage is related to the parts of the car covered by the above covers;
- Damage attributable to the customer does not exceed €50.00 (See the Damage Table for more informations);
- The damage is the result of an active claim (documented by CAI and/or complaint with double signature).

Road Accident

In the event of a road accident, the management of the incident will be exclusively the responsibility of the Lessor. In such cases, the Customer must immediately inform the Lessor by telephone, telegram, or fax and send a detailed written report of the incident within twenty-four hours using the appropriate form (CID/CAI) included with the vehicle documents. The report should include the personal details of the parties involved and any witnesses, license plate numbers of all vehicles involved, and details of their ownership and insurance coverage.

The Customer must diligently follow the Lessor's instructions regarding the custody and repair of the vehicle.

The CID/CAI may only be completed and signed by the parties involved with the prior authorisation of the Lessor.

In case of non-compliance with any of the above obligations, the Customer will be liable for damages sustained by the vehicle, even in the case of a potentially non-fault accident.

The Lessor does not guarantee the replacement of the vehicle in any accident involving damage or theft.

As a general expense for recovering damages incurred as a result of a passive and/or contributory accident, the Customer agrees to pay the amount of €500.00 at the time of reporting the incident, in addition to any compensation for damages to the vehicle (which the Lessor reserves the right to assess through its affiliated workshops).

Additionally, the Client will be charged an amount, classified as technical downtime, determined according to the official rates in effect, equal to the amount that would be due if the rental had continued for a duration equivalent to the time required for the repairs and the procurement of spare parts.

Optional Coverage

• **Kasko Silver Policy (PKS):** The Customer can reduce the deductible damage by 70% compared to the deductible damages of the various car groups, limiting their liability for accidental damage only occurred to the body of the vehicle, with the exception of those caused by inexperience, imprudence and negligence and in any case by fact and fault attributable to him or as a result of passive or insolvent claims and with the exclusion also of mechanical damage to the wheels, the crystals, the chassis as well as the underlying parts of the vehicle. The cost of the aforementioned limitation will be daily and the purchase will be noted in the order form, for the period indicated therein.

• **Kasko Gold Policy (PKG):** The Customer may limit their liability for damages to the vehicle, including accidental damage to the bodywork, even if caused by road accidents (both active and passive). Excluded from this are damages caused by inexperience, imprudence, and negligence, and in any case, those attributable to the Customer's actions or fault, or caused by conduct contrary to traffic regulations. Theft, fire, mechanical damage, damage to wheels, windows, the chassis, and the vehicle's undercarriage shall in all cases remain the responsibility of the Customer. The cost of the aforementioned limitation shall be on a daily basis and the purchase will be recorded on the order form for the period specified therein.

• **Kasko Platinum Policy (PKP):** The Customer may limit their liability for damages to the vehicle, including accidental damage to the bodywork, mechanical parts, the chassis, the vehicle's undercarriage, wheels, and windows, even if caused by road accidents (both active and passive), as well as for theft and/or fire, with the exclusion of damages caused by inexperience, imprudence, and negligence, and in any case, those attributable to the Customer's actions or fault, or caused by conduct contrary to traffic regulations. The cost of the aforementioned limitation shall be on a daily basis and the purchase will be recorded on the order form for the period specified therein.

- **Mini Kasko (MK):** However, it remains subject to the possibility for the customer to purchase individual limitations of liability (mechanical damage to the wheels, windows, chassis and underlying parts of the car), possibly in addition to other limitations of liability. The cost of the aforementioned limitation will be daily and the purchase will be noted in the order form, for the period indicated therein.
- **Integrated Road Assistance (IRA):** Roadside assistance in case of an active and/or passive accident, tire puncture, as well as for the breakdown or technical stoppage of the rented vehicle (see the "Roadside Assistance" section), provided that the need for towing is not caused by inexperience, imprudence, and negligence, and in any case, those attributable to the Customer's actions or fault, or caused by conduct contrary to traffic regulations.

Method of payment

According to the specifics of the different instruments of payment:

- For the payment of the rental itself and for any additional optional the following credit cards are accepted: Mastercard, VISA, AMEX;
- Debit, electron, prepaid and Pagobancomat cards are accepted*;
- Cash and bank checks are NOT accepted.
- Only CREDIT cards are accepted for P car group.

The customer named in the reservation which must be the cardholder have to be present at the time of pick-up. If the reservation has not been prepaid, the amount due for the rental will be paid directly at the counter.

Any of the accepted cards must be presented as a guarantee at the opening of the rental contract to cover any costs arising from the rental. In the absence of such a card, it will not be possible to proceed with the execution of the rental contract and the delivery of the vehicle. In addition, a basic condition for the delivery of the car is the availability on the card of a sufficient ceiling to cover the amount that will be collected/blocked at the time of the conclusion of the rental contract.

In the case of prepaid reservations, if the customer does not have sufficient ceiling on the card to cover the amount that will be blocked as a deposit, or in the presence of any other condition impeding the rental, the car will not be delivered and the customer will not be intitled to any refund.

*** For customers who opt for the Debit Card Procedure (rental with no credit card), the amount due at the beginning of the rental is generally equal to the sum of the following elements:**

- Rent cost;
- Kasko Platinum Policy;
- Deposit (depending on the vehicle type);

For customers coming from tour operators, in addition to what anticipated you will have to pay the following:

- Kasko Platinum Policy

- a security deposit (dependent on the car group):

In all cases, the delivery of the car remains at the discretion of the desk employee.
